Dear Cornerstone Community Church family,

It is hard to believe the Easter season has already passed and we are into the month of April. In Ohio, there is an event that will last only a few moments but will attract thousands to our state. I am referring to the *total solar eclipse* on April 8, 2024. Stores are selling glasses, T-shirts, coffee cups and anything they can think of - to make a profit and make the day worth remembering. A total solar eclipse only happens in the same location every 375 years.

Eclipse: "The total or partial obscuring of one celestial body by another; the passing into the shadow of a celestial body (transit); the state of being eclipsed; obscure, darken, to reduce in importance, surpass."

Two weeks prior, on March 25, 2024, the full moon signals its arrival. Solar eclipses can only occur when the Sun, Moon, and Earth all align. The least exciting of all eclipses, a *penumbral lunar eclipse*, foreshadows the spectacular show that April 8th's *total solar eclipse* will bring.

When I think about the Christian life to begin, it is not when the Sun, Moon and Earth all align, but rather when we are aligned with God the Father, God the Son, and God the Holy Spirit. When we come to the place where we understand God the Father created this world and He loves the people He created, and all that is in it. God loved the world so much, He purchased it back by sending His Son, Jesus, to die on the cross for humanity's sin.

The message of the Church is John 3:16: ***"(16) For God so loved the world that He gave his only begotten (unique) son, that whosoever believes in Him should not perish (eternally), but have everlasting life."***

As I was thinking about supernatural happenings in the Bible, in Joshua 10:12-14, Joshua spoke to the Lord when fighting the Amorites, ***"...and he said in the sight of Israel: 'Sun, stand still over Gibeon; and Moon, in the Valley of Aijalon. So the sun stood still, and the moon stopped, till the people had revenge upon their enemies. Is this not written in the book of Jasher? So the sun stood still in the midst of heaven, and did not hastened to go down for about a whole day. And there had been no day like that, before it or after it, that the Lord heeded the voice of a man; for the Lord fought for Israel."***

Another instance of a supernatural happening was the day Jesus Christ died on the cross. The Bible says in Luke 23:44-46, ***"(44) It was now about the sixth hour, and darkness came over the whole land until the ninth hour, (45) for the sun stopped shining. And the curtain of the temple was torn in two. (46) Jesus called out with a loud voice, 'Father, into your hands I commit my spirit.' When he had said this, he breathed his last."***

According to the Blackaby Study Bible, from "the sixth hour until the ninth hour" was our modern time of 12:00 p.m. (noon) until 3:00 p.m. This was not a solar eclipse, but God the

Father sending the spiritual message to the earth that they had just killed His only Son, the Son of God, Jesus Christ.

Jews knew their Old Testament where "The Day of the Lord" would be "a day of darkness." Amos 8:9 says, ***"(9) On that day, says the Lord God, I will make the Sun to go down at noon, and darken the Earth in broad daylight. I will turn your feasting into mourning, and all your songs into lamentations."***

This darkness speaks of a time of God's judgment upon sin. At the crucifixion - God the Father placed all the sins of humanity upon His only Son, Jesus Christ, and God poured out His wrath upon Him (Jesus).

Pastor Derek Walker – Oxford Church in England - says the following:

*"Jesus stood in our place and bore the punishment we deserved. He cried out in a loud voice, 'My God, my God, Why have you forsaken me?' Jesus was separated from his Father for three hours. God signified this by blotting out the sun until Jesus had paid the price for sin in full. The sun in Scripture is often used a symbol of the Son, the Light of the world, the glory of God (Malachi 4, Hosea 6, Psalm 19). So the sun being covered in darkness represented what was happening to the Son as He was covered by the darkness of our sin and judgment." (p. 1, *The Day the Sun Stopped Shining*).*

It is interesting in Matthew 24:27 & 29 at *"(27) ...the Coming of the Son of Man. (29) Immediately after the distress of those days*

*'the **sun** will be darkened, and the **moon** will not give its light; the **stars** will fall from the sky, and the **heavenly bodies will be shaken.**'"*

When Jesus died on "Good Friday" an earthquake occurred, and the sun stopped shining. When Jesus Returns for His Church at the Second Coming – nature will call out again – showing the Lordship of a Savior who conquered the grave for our sins to make us right before our Father in heaven at Judgment.

Do not ever ignore nature, it just might be God revealing Himself to show us His Glory!

He is Risen – He is Risen *indeed!*

Thankful to be your Pastor,
Pastor Jerry Ernst
Matthew 9:35-38

A WORD OF ENCOURAGEMENT

Dr. Gary Campbell, Pastor Emeritus

THE MARKS OF A METHODIST

Our worship services on Sunday, March 10th included the special blessing and great joy of receiving new members: Karen Alverson, Bill & Arlene Byler, Cindy Harvel, Art & Anne Mizer, Kevin & Penny Ducharme, Gail Kershner, David Lee, Kristine Wilson-Lee, Matasha Renzella and Judy Sivits. WELCOME ALL!

The new members affirmed the vows of Church membership, and both congregations, while reaffirming our own membership vows, promised to pray for our new members. The wording of all these vows was provided by the Global Methodist Church, and Pastor Ernst reminded us that Cornerstone Community Church is a local Church of this newly-formed denomination, The Global Methodist Church.

It is good for us to remember that Fredericktown United Methodist Church, after careful and prayerful discernment of God's will, disaffiliated from our historic Methodist denomination, and then affiliated with the new Methodist denomination. Our denominational affiliation has changed, but our basic doctrine, style and historic identity has not!

Therefore, it is also very good, and quite timely, that we should ask ourselves, WHAT IS A "METHODIST?" That question was first posed to John Wesley who, in divine providence, became the "father" of all who call themselves "Methodist." Here is Wesley's answer, and certainly his hope, dream and prayer:

A Methodist is one who lives according to the method revealed in the Bible. This person loves the Lord, heart and soul; prays without ceasing; and in everything gives thanks. A Methodist's heart is full of love to all others. Her/his heart is purified from envy, malice, wrath, and every unkind affection.

Every Methodist keeps all of God's commandments and does not follow the customs of the world. He/she cannot speak evil of one's neighbor any more than he/she can lie. A Methodist does good to others, be they neighbors, friends or enemies.

The Wesleyan "Rule" aptly lists the "marks" of a Methodist—;

Do all the good you can,
By all the means you can,
In all the ways you can,
In all the places you can,
At all the times you can,
To all the people you can,
As long as ever you can.

Welcome Lori Wilkes!

We are pleased to welcome Lori Wilkes as the new Building Administrator for Cornerstone Community Church. She replaces Sharon Fitzpatrick who will be resigning her position at the end of March. Lori and her husband Dave have been attending our church since last summer and are members of the ASAP Sunday Small Group. They have two grown boys, Mason and Haddon, and have lived in Mount Vernon for the last 28 years. Lori enjoys painting, gardening, photography, cooking, sewing, traveling, and learning about health and wellness. She also makes jewelry and has written a jewelry making step-by-step book. Previously, Lori has worked in marketing / advertising, healthcare sales, and fundraising. She brings a wide range of experiences that will enhance her abilities in this position. Originally from Rhode Island, Lori's father was a fisherman from the Port of Galilee (Rhode Island). Her mother went to be with Jesus in January. Lori has a welcoming personality and a great sense of humor and is excited to learn more about our beautiful building and incredible congregation.

As you see her, please introduce yourself and let her know how happy you are to have her. We welcome you, Lori!

Thank You Sharon

Cornerstone Community Church would like to thank Sharon Fitzpatrick for her time as the Facility and Outreach Coordinator. Sharon has held this position for the last two-and-a-half years. During this time, she has worked tirelessly on many new outreach ideas, put many needed policies and procedures into place, and taken the interior appearance of the building to a whole new level. She is the administrative driving force of the Peacemeal, which continues to feed hundreds of people each week. Sharon has tapped into church members' gifts and talents and used her managerial skills to utilize many volunteers. It is a fine compliment to receive a gold star from Sharon for a job well done. We will continue to see Sharon on Sunday mornings and she will continue to manage Peacemeal through June. As for the rest of the week, she will be assuming her new position as "Grandma" to Baby Judah and will have more time to share with her mother, children, and friends. Thank you, Sharon, for a job well done. You will have many gold stars in your Heavenly crown!

New Members at Cornerstone Community Church

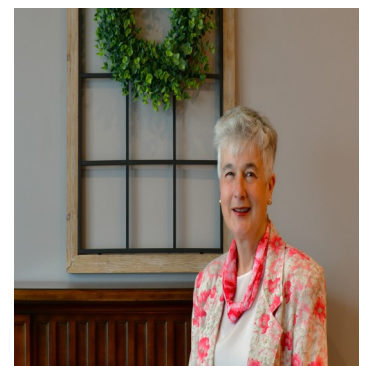

Matasha Renzella was baptized on March 10, the same day she joined our church. She lives in Fredericktown and enjoys working in her flower beds, walking outside, and helping others. Pastor Jerry's teaching and the friendliness of our members attracted her to the church. She appreciates the many opportunities Cornerstone offers for serving the community and has already become involved in Buddy Break and Peacemeal. Welcome Matasha!

Gail Kershner is no stranger to Cornerstone, but we are beyond excited to welcome her as an official member. She lives in Fredericktown with her husband Bill. Gail enjoys swimming, trying new recipes, and has recently begun quilting. When asked what she liked about Cornerstone, Gail said, "I love our small group on Sunday mornings (all the people in our class are awesome!!) I love the Pastor and his family. I love how the pastor preaches and teaches! Everyone is so friendly!" Gail can be found at church during Lifewise and also orders supplies for Peacemeal. We are so happy to have you, Gail!

Cindy Harvel lives in Apple Valley where she enjoys gardening, biking, fishing, hiking, and any other opportunity to enjoy God's creation. She and her husband Ric (a retired Methodist pastor) have a heart for Asia, where so many are hungry for the Gospel. They are planning on becoming missionaries to the Asia Pacific region in an itinerant manner with One Mission Society. That means they'll work from home most of the year, but will be "ministering to missionaries" as member care providers in person three times a year for a couple of weeks at a time. They love sharing Jesus as "there is truly nothing more satisfying in this life!" Cindy serves on a Global Methodist prayer team with Pastor Keith Bohley and has already become very active at Cornerstone. Most recently, she has started a children's bell choir!! Cindy's favorite parts of Cornerstone Community Church are the strong, Biblically sound messages, the warmth of the congregation, and the willingness to reach beyond the walls of the church with the love of Christ. Thank you for all you have done already, Ric and Cindy. We have been blessed already by your presence with us.

Karen Alverson is no stranger to Cornerstone. After being a part of the church family for over forty years, she is now an official member. Karen enjoys crafting, puzzles, and thrifting. She has been married to Gary, the love of her life, for 54 years. Karen is a proud grandma and helps take care of pre school aged twins. Welcome, Karen!

We are pleased to welcome Judy Sivits as a new member of our church. She lives in Fredericktown and enjoys quilting and spending time with family. Judy worked at Mount Vernon Developmental Center for 30 years, the last 15 as an LPN. She has participated in Wednesday Night Life Group and our Prayer Week in January. She loves the fact that Cornerstone has something for everyone to do. When she is at church, she enjoys the pastor, the music, the worship, and the fact that everyone is welcoming. We are happy to have you, Judy!

Kevin and Penny Ducharme live between Fredericktown and Mount Vernon and have already become active at Cornerstone Community Church. Kevin is a buddy with Buddy Break and Penny is a Lifewise teacher. You can also find them in the parking lot during Peacemeal and in the ASAP Sunday Small Group. They appreciate Cornerstone's dedication to the community, inspiring worship services, and small groups. They know Pastor Jerry and Abbey quite well as Penny and Abbey are sisters. The Ducharme's enjoy golfing, baking, and their family time with their three young adult children. They spend their summers in Maine near Kevin's family.

We are happy to welcome David and Kristine Lee and their children Mary (16), Nathan (15), Esther (14), Sarah (12), and Rebekah (8). The Lees live on Dunham Road. The Lees recently started camping with an RV, as they love the great outdoors and camp life. They love food and adventure and traveling to new places as a family. As a tradition, they usually try to make a yearly beach trip to Kristine's neck of the woods in South Carolina to visit with family. They also enjoy hiking, storytelling, game night, and dad jokes! The Lees LOVE the people of Cornerstone Community Church. Everyone has made them feel welcome and loved. They were looking for more fellowship and a deeper fellowship with the body of Christ, and believe they have found it in the people of CCC. They were also seeking a place where their children loved. They are thankful for all of those who have poured into their children already! The Lees have nine children total, but only five are still at home. David has terminal cancer, but they are trusting God on this journey of suffering He has called them to. They look forward to all that God is going to do in the days ahead and know that He is faithful.

Bill and Arlene Byler have already begun sharing their amazing musical talents in the 9:00 worship service. Arlene is a vocal soloist and Bill plays the trumpet. They also sing in the choir. During choir practice, Bill is always good for a new joke. While his tenor and bass buddies find him wildly amusing, Arlene doesn't find him quite as funny as they think he is. Arlene assists at Buddy Break at the registration table. The Byler's love the fact that Cornerstone is a Bible based, community centered church. We are excited to share in ministry with the Byler's.

Art and Anne Mizer live in Mount Vernon and have been in the first service at Cornerstone since the summer. They are really enjoying our pastor, people, and small groups. Art enjoys cooking, woodworking, and volunteer work. Anne enjoys traveling, playing Bridge, reading, and creating through fiber arts (knitting, crocheting, etc....) We look forward to getting to know you even better, Art and Anne!

Buddy Break

We had a “purr”fectly great time at our last event which was all about cats. Our next event will be April 6th and we will get geared up for the Solar Eclipse with some fun activities with a space theme dealing with the moon, planets, stars, the dark, and of course the sun! We have only one event left then on May 4th in which we will find ways to celebrate Cinco de Mayo. Then we will take a break over the summer and begin again when school starts. Soon we will have completed three years of giving respite to families with kids with disabilities. We started out with 5 families and 8 kids with disabilities and 0 typical siblings. We have now served 13 families with 17 kids with disabilities and 5 typical siblings. Over the past three years we have had 26 adult volunteers, and 4 youth volunteers. We’ve had numerous cash and in-kind donations! Not to mention all kinds of special guests to love on. Thank-you church!!

In John 9:1-3 we learn: While Jesus was walking, he saw a man who had been blind since the time he was born. ² Jesus’ followers asked him, “Teacher, why was this man born blind? Whose sin made it happen? Was it his own sin or that of his parents?” ³ Jesus answered, “It was not any sin of this man or his parents that caused him to be blind. He was born blind so that he could be used to show what great things God can do.

Buddy Break: Kids have fun. Parents get a break. Volunteers grow in love and compassion. God is glorified!

Healing Broken Hearts

For “Healing Broken Hearts”, we are now inviting you to call Joyce Thomas, Rachel Blevins, or Cindy Harvel and we will be open to be a support to you and your family one on one instead of a group format. Grief and Mourning are hard work. They require time and effort to walk that journey. We are open to walk with you. If you call one of us, we will be there with you.

Joyce Thomas

Congregational Care Ministry

This ministry is a powerful example of the Holy Spirit at work at Cornerstone Community Church as He gives the members the power to be “comforters” in His name. By bringing comfort and support to others we model Jesus and continue His ministry.

The group consists of visitors, callers, singers, some sending cards of comfort, encouragement, Birthday and monthly cards, they are also praying with and for them. A group of retired pastors take communion to each shut in.

If you feel the call to be a support to others not able to get to church and would like to be part of this ministry, please call me and we can get you involved.

If you know of someone who could benefit from the ministry let me know and we can discern if they are interested in being supported in this way.

Yours because Christ first loved us,

Joyce Thomas

FCP News

Where has this year gone?

The preschoolers have had the best year ever! We have battled illness like we have never seen before, we have overcome weather issues, and we are still set to finish the year strong! The students who will attend Kindergarten this fall, are ready to rock Kindergarten registration in April. The children who will return next year, have had amazing growth in all areas! We are wondering how to squeeze in all the fun stuff in yet this year! Where has 2024 gone so quickly? The 2-day kids are doing amazing learning their Bible verses each month, learning to write their names and identifying letters. They have come such a long way with their social skills from September! The 5-day kids are

blowing us away! They are learning phonics and sight words and making the best of all learning strategies to help us to be better readers and writers. They have been working hard to master all of the skills that the State of Ohio has laid out in the Pre-K standards.

In February we loved on our moms at Moms night and had valentine parties. We talked about how much Jesus loves us and how we are called to love one another. We LOVED learning rhymes with Dr. Seuss week! The 5-day kids dressed up each day with a theme based on one of his books. The 2-day kids made and tried Green Eggs and Ham. Most of the kids loved them and ate many servings! The 5-day students were able to visit with many new babies in March. We had chicks, goats, a calf and a lamb. All classes learned about how March comes in like a lion and out like a lamb. The 2-day kids incorporated Daniel and the lion's den into March and painted

pictures of our lion. On St. Patrick's Day we set traps trying to catch a leprechaun but found our traps destroyed and all of our gems and gold stolen. We learned that there was a man who shared God with others and how the three-leaf clover was used to share about God the Father, God the Son and God the Holy Spirit. All of our classes have grown up and are building great friendships this year!!
