Needed Monthly for Budget (2025)	\$ 36,221.00
General Fund Giving (March)	\$ 37,109.00
Needed Monthly for Building Fund	\$ 13,476.00
Building Fund Giving (March)	\$ 9,175.00

In the fall of 2019, we launched our 2.4 million dollar building renovation. Since then we have continued to influence many lives through new and existing ministries at Cornerstone Community Church. Thanks to the faithfulness of our generous people at Cornerstone, our most recent loan balance after our monthly March payment and a \$50,000 principal payment is \$1,576,526.50. Our goal is to be able to make quarterly principal payments with the intent of reducing the amount of years of the loan.

In addition to being able to contribute additional funds towards the mortgage, our monthly general fund giving has been healthy. Thank you for your continued generosity!

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work with us, to him be glory in the church and in Christ Jesus throughout all generations for ever and ever! Amen!
