*Cornerstone Community Church family,*

In Psalm 127:1-2 which says, ***“(1) Unless the Lord builds the house, its builders labor in vain. Unless the Lord watches over the city, the watchmen stand guard in vain. (2) In vain you rise early and stay up late, toiling for food to eat – for he grants sleep to those he loves.”***

### **What does it mean for the Lord to build the house?**

It seems like a *contradiction* that we are referred to as “the builders” in this Scripture. God wants us to *allow Him* to build the house. In the Hebrew, the word **unless** means, “*if, except, either, else.*”

It is a part of speech that is a conjunction. It is a hypothetical particle or interrogative, imperfect, infinitive.

**Meaning:** Whatever is trying to be built, will go on and on *in vain*, for the person who does not build their life on God and allow God to build it for them.

The word, **vain** simply means: “*emptiness, deceitful, false, vanity.*”

**The simple form means this:** Unless I (God) do that for you and bring it about, you are not going to get it right and you will waste your time.

To “Let God Work” in Psalm 127:1-2, is godly wisdom in the home and family life. It is the Lord who provides food, security, and shelter. All of life’s securities are gifts from God (Deut. 28:1-14), not because of human achievements.

I want us to see these points about working without striving, God must build His Church His way! The following are five lessons from this text.

*In Psalm 127:1-2, God is showing His children...*

**1) ...There is a way of working WITHOUT striving.** ***“(1) Unless the Lord builds the house, its builders labor in vain.”***

There is a way to conduct life without sweating and toiling for the outcome.

**2) ...AVOID thinking our outcome is based on our own sweat & toil.**

*“(2) In **vain** you rise early and stay up late, toiling for food to eat – for he grants sleep to those he loves.”*

**3) ...Outcome is based on godly OBEDIENCE. (Luke 5:1-11)** - Jesus called Peter to throw his net once more onto the other side of the boat (Vv. 4-7). This act of obedience brought about the tremendous catch of fish.

**4) ...God DESIRES for us to see Him working in our daily lives. (Psalm 18:25-30; 84:11)**

**5) ...God wants us to AVOID looking to our OWN EFFORT to gain an outcome.**

**John 15:1-8** – If we abide in Jesus, we can do His Will. Apart from Him, we fail.

We at Cornerstone Community Church have a mission to fulfill, a Lord to serve and a world to tell about God’s gift in Jesus Christ. If we take it on ourselves, that success depends on us, then we will strive in vain and have zero impact. “Unless the Lord builds the house,” Cornerstone Community Church will build and strive in vain. May we call on and look to the One who has all power and Authority, Jesus Christ! God be with us as we move forward into this Fall season with the Lord Jesus Christ!

Rev. Jerry Ernst  
Matthew 9:35-38

# A WORD OF ENCOURAGEMENT

Dr. Gary Campbell, Pastor Emeritus

## FROM EARTH TO GLORY

One of my twin daughters graduated from “the Naz” (the Nazarene University in Mt. Vernon) in 1985. For one brief period she was in Spain, and she asked what she could bring me from there. My answer was: A print of an El Greco painting.

Domenikos Theotokopoulos (1541—1614), “The Greek” (El Greco) moved to Spain in 1577. He won his place in art history by the paintings and sculptures he accomplished there, particularly in Toledo. His altarpieces adorn churches and chapels in Spain to this day. I was thrilled to receive my daughter’s gift, a print of the El Greco work *The Burial of the Count of Orgaz*.

El Greco signed a contract for this altarpiece for the church of Santo Tome of Toledo in 1586. He completed this painting measuring 189 x 141¾ inches in 1588. My print is in a frame above my desk, measuring 12 x 16 inches! Even so, it tells the story of The Count of Orgaz, a revered fourteenth-century figure. Legend has it that when the Count, known for his deeds of charity, was buried in 1312, Saints Stephen and Augustine miraculously appeared from heaven personally to conduct his soul into heaven. The painting shows a realistic scene of the earthly funeral. Above is a whirling vortex into heaven, where the Count is presented to the Virgin Mary and to Jesus Christ.

How far can it be from earth to heaven? El Greco's art always depicts human beings as elongated figures, as though drawn toward the unseen world above. Whatever theological differences separate us from Roman Catholic Spain of El Greco's time, we agree that human beings, created in God's own image, do have the hope of heaven in their souls, an inward urge in the direction of the divine, a deep-seated need for righteousness, for holiness, for God! And we pray that the distance between this earth as we know it and the Heaven of eternal life promised to all believers in Christ is, indeed, a very short span to be traversed by faith.

On July 11 and 12, 50 church members and friends had the wonderful opportunity to see NOAH on the stage of the beautiful Sight and Sound Theater in Lancaster, Pennsylvania. On the way home, we enjoyed a fun morning in Hershey. It was such a pleasure to travel as a church family and to spend this time together. THANK YOU SO MUCH to all of our good natured travelers, to those who assisted others with travel, to those who sponsored trips for others, and to our incredible travel agent Bethany Moody with *Vacation Visionaries*. God blessed us with a great weekend that we will not soon forget!

## Prayers & Squares

Prayers and Squares is still on summer break until October. If you need a prayer quilt, there are plenty. Check with Louise Dudgeon, Kathy Toms, or the office to receive one.

## CONGREGATIONAL CARE

We continue to send monthly cards to shut-ins, nursing home residents, people who are grieving a recent loss of a loved one, and folks living with cancer at this time. Many have stated they enjoy the cards and support. I also want to thank those who are sending cards to people just "because".

I know they are very appreciated.

There are also several members who are visiting or calling on and praying with folks who need some extra visits and supportive listening ears. Communion is being offered and given to those who wish to partake. Birthday cards are sent to the ones on the list, hoping to brighten their day.

A few of the Care Team are planning a Health Fair later this Fall. More information on this exciting venture at a later date.

We always look for new helpers to share the gift of time with a shut in. Call Joyce Thomas if you know of someone who can benefit.

# Bereavement Support--Healing Broken Hearts

Letters and articles of support and ideas for coping during the difficult first year after a loved one's death are being sent out at the onset, at 3 months, 6 months, 9 months and 12 months. Acknowledgment of the loved one's birthday and some ways to cope are being sent.

As always if you have a need of private one on one support please call Joyce Thomas, Rachel Blevins or Cindy Harvel.

# Thank You

The Moody and McClay families would like to thank the church family for your love since Bill's accident. Your visits, calls, cards, acts of kindness, and most of all prayers, have given us encouragement during this difficult time. Bill is making progress, but there will be more to be made in the days, weeks, and months ahead. Please continue to pray for him, and all of us, as we begin this new journey. We love you all!
